TIER PRICING PROGRAM

Realizing that families have differing abilities to pay, Camp Hazen YMCA has instituted a voluntary 4-tier pricing program for our Summer Overnight Camp and Day Camp programs. Please take a moment to look at the tier descriptions and choose the tier that is most suitable for your family. All children will have the same experience no matter which tier a family is able to pay. The tier selected by a family will be kept confidential.

Tier 1 - is based on the actual cost of campers participating in the selected programs. If you are able to pay this amount, please do so. Thank you.

Tier 2 - is a partially subsidized rate that will enable families that just can't afford the full cost of the camp program. Please, choose this rate if your family has the need to receive a subsidized rate.

Tier 3 - is a more heavily subsidized rate for families whose children would not be able to attend camp otherwise. If you can not afford either of the higher rates, please pay this amount.

Tier 4 - is a variable rate for families whose financial assistance need is greater than the subsidized rates above. We provide more significant financial assistance to families that demonstrate need through our Financial Assistance Program. If you need additional assistance, please choose this option and complete a Financial Assistance application.
