

Camp Hazen YMCA Adventure Programs

Climbing Wall

Team Building

High Ropes

Alpine Tower

Camp Hazen YMCA is a Camp and Outdoor Leadership Center. The 35' Carolina Climbing Wall is a challenge to the most experienced climber, as well as a great confidence builder for beginners. The 55' Alpine Tower can be used for individuals to build self esteem and for teams to come together in a group challenge.

Our High Ropes Course comprising of three stand alone elements and a Zip Line is a place where you can push your boundaries and overcome your limits. If staying on the ground is more your thing, our Team Building Course with our experienced Facilitators will guide your group through a series of challenges and help transfer real life solutions back to the outside world.
