

Camp Hazen YMCA Summer Cabins

Our Seasonal Cabins sleep 10 people. During the summer there are 8 campers and 2 Counselors.

The cabins are basic, but they are all you need for a stay at camp. No cabin is very far from the main action. All cabins are near centrally located bathhouses, and many have their own toilets and showers in them.

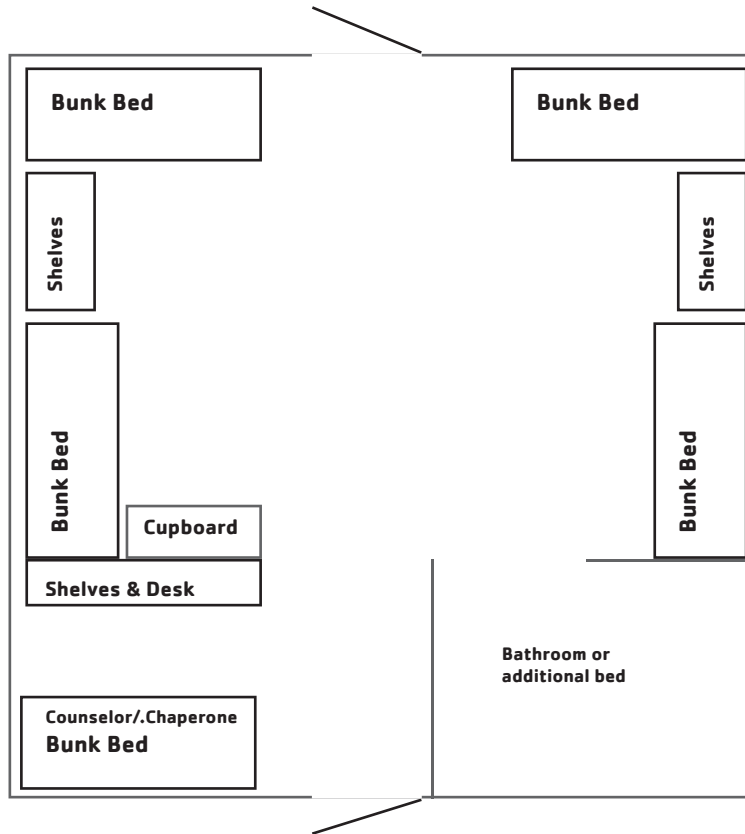

Your cabin group is your family, and although time spent in your cabin is minimal, this is where some of the best memories are made.

Each bed has its own window, and every camper has their own set of shelves for storage. Please bring your own bedding.
