

Camp Hazen YMCA Waterfront

Whether you want to swim in it, boat on it or look at it, Cedar Lake is the beautiful back drop to Camp Hazen YMCA.

So many people have memories of the campfires that have been held on it's shore. Summer campers have learned to swim here, and our family campers have enjoyed watching their children grow up here.

The Town of Chester owns the 80 acre lake. which is fed by two springs and two inlet streams with outflow into the Pattaconk Brook. The lake is about 45 feet deep in the middle. The Town owns approximately one third of the shore. Another third is owned by Camp Hazen YMCA. The remainder is private residences and State owned property, including a boat launch.

At Cedar Lake we enjoy learning to:

- Swim
- Kayak
- Canoe
- Sail
- Windsurf
- Fish
