FALL CAMP WEEKEND NOVEMBER

Reconnect. Reunite. Reminisce. These are the mottos of our Fall Camp Weekend. Every autumn our summer campers experience a longing for Hazen and this weekend is an opportunity to fulfill that need. The program is focused on broadening the bonds made during the summer months as well as forging new friendships between the campers coming from different sessions. The activities are selected from the top choices of our summer campers' evaluations. Campers simply cannot wait to see their 'camp friends' until next summer and this is their opportunity to stay connected face-to-face.

WINTER CAMP WEEKEND JANUARY

After the crazy holiday season and months of school, kids are ready to remember the fun times of summer once again. Gather up a group of camp friends and return to the frozen shores of Cedar Lake for a winter adventure! There is a certain uniqueness to being at camp in the winter, where you can see Sachem Village from the Dining Hall and where you get the same awesome counselors leading great activities in gloves and winter hats. Weather permitting, there will be plenty of snow fun in addition to traditional camp activities.

SPRING CAMP WEEKEND APRIL

Spring at Hazen is simply amazing! This weekend is for both those returning campers who just can't wait until summer to see their friends and those about to come for the first time and want a glimpse. Activities are weather dependent but include a small taste of what our summer camp has to offer. Staffed by our summer camp counselors, Spring Camp Weekend will be one Hazen program you won't want to miss!
