

Camp Hazen YMCA

Woods & Trails

At Camp Hazen YMCA we pride ourselves on giving children and adults alike an opportunity to explore the outdoors in over 100 acres of woodlands. We enjoy the Woods of Hazen in many different ways.

Our Summer Campers are always heading out into the Woods for an adventure, sometimes for their overnight to sleep out under the stars, or with their Cabin group for their Quest activity.

During the year, our School groups can choose an option called 'Games on a Hike' or 'Fort Building' or an 'Eco Quest' Class where students will be taken into the Woods to explore nature at it's best.

We love to see a Father and Son, decide to take a walk in the woods during one of our family programs - using our map as a guide, the adventure is theirs to discover.
